Kindermusik App

Available at no cost in Apple's App Store & Google Play

Red circle- sign in/menu: click on the 3 lines to log into your Kindermusik AtHome account (see flip of flier for more info on your account). This is also where you will find other settings, parental controls, and functions. Once logged in to your AtHome account you will see your class music listed (see blue circle for different ways to access the music).

Green circle- digital instruments:
click on the music notes for quick access to "Play Along". These digital instruments can be played while listening to any song on the Kindermusik app. And you can record your child's instrumentation from another feature called "Make your Own Music" accessible from menu.

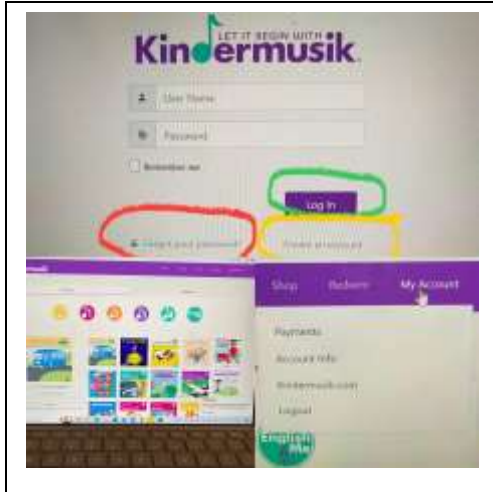

Blue circle-bottom icons:
"Home" icon where music is organized by your class & album (there are some extra free albums too),
"Themes" where music is organized by general subject theme,
"Library" with all of songs listed from your classes & free extras (albums in alphabetical, make play lists, search by title word),
"Videos" for activity and info videos.
"Books" for the literature books that come with class(es)

# Setting up your account and accessing digital library
